Do you enjoy both beer and chocolate? Discover Belgium has designed a “Beer & chocolate food pairing” workshop just for you. An ideal teambuilding event.

When beer hooks up with praline...

In this original and very on-trend workshop, your employees or customers are led into a new world of taste experiences. **Food pairing** consists of exploring which foods and drinks go best together in terms of their flavours. Discover Belgium offers an opportunity to try out this method using two great Belgian specialities, namely beer and chocolate!

An unusual combination

Attendees will be served the best **beers**, and try to match them to

the ultimate **praline**. Supervised by a real beer and chocolate expert, participants will uncover unique taste sensations. The zythologist will guide them through a wonderful world of fifty shades of white, brown and black.

A delicious combination to delight your staff and business partners.
