An ideal activity during a seminar or evening with customers, the Vini Vegas® chocolate event brings the thrill of gambling to your table, while introducing the many and varied flavours of the chocolates of the world.

The concept

- After a blind tasting and a number of clues, place your bets on a range of possible answers presented to you.
- This activity is an introduction to the countries where the top chocolate or coffee originate, distinguished by the differences in their taste, under the guidance of a specialist event leader

The organiser
