Cinéréa Benelux offers Virtual Chocolate Tasting®: a short teambuilding activity, ideal to give staff a relaxing break during a seminar day.

The concept

Receive an individual box, blind taste the contents, listen to the clues and bet on the origin of the cocoa beans offered.

- Duration: 1 hour
- From 4 to 50 people

Each box contains:

- 6 different types of chocolate from different origins (in the form of individually wrapped squares of chocolate)
- a menu describing the various chocolates offered for tasting.

After tasting, and using the clues given by the activity leader, find the origin of each square of chocolate from the menu offered.

The organiser

The leading organiser of informal wine-tasting events in Belgium, Cinérea Benelux organises business events based on various product tastings, such as wine, beer chocolate and so on.

Other chocolate-based activities:
