Creating life's simple pleasures

Le Siroteur dreams of a world that turns more smoothly and less quickly. This non-profit organisation accordingly helps grown-ups to slow down and rediscover the simple, essential pleasures of life, to reconnect with other people and their childhood spirit.

Believing strongly that inspiration and experimentation can make a positive difference, this organiser develops **fun concepts** for your **business events** and **teambuilding days**.

- The hire of oversized wooden games, some original, some classics
- “Proust Alors!” a slow amusement park, harking back to simpler times

- “Le Pwairret”: outdoor escape game

Wooden games are manufactured on the site, in a workshop installed in a former cordial works in Émines, near Namur.

Outdoor teambuilding activities

Le Siroteur has also devised an outdoor teambuilding activity, namely an exciting escape game in the countryside.

Take a look at [“Le Pwairret”](#), an escape game based on a blend on history and folklore played in the open air with no time limits.

Le Siroteur: savouring life’s little treats and pleasures with your employees.
