Let BrewSpot show you the secrets of beer brewing and tasting through its teambuilding activities held across Belgium.

A team of brewers and activity leaders has been running innovative, bespoke teambuilding activities since 2011, ranging from beer tasting sessions to producing your own beer in small groups, within a variety of event formats.

Beer-related teambuilding activities & incentive events

BrewSpot offers beer-related teambuilding activities run entirely in-house, together with all associated services needed (catering, accommodation or transport):

- brew your own beer in small groups of 10 to 200 people
- production of custom beer with your own label for corporate events or gifts

- organising mobile beer-tasting bars for conferences or meetings
- workshops on producing and tasting chocolates and pralines
- virtual versions of all these activities.

Anywhere in Belgium

Working in partnership with local firms, BrewSpot organises events across the whole of Belgium:

- breweries large and small
- bierkellers
- brew pubs
- more conventional venues in high-end manor houses, fortified farmhouses, hotels or inns.

BrewSpot: the ideal partner for beer and brewing-based events and incentives, all over the Wallonia region.
